

The Greater Austin Hispanic Chamber of Commerce Ambassadors are the advocates of the Chamber and thus are charged with extending the hand of friendship to new, current, and future members. **GAHCC Ambassadors promote retention by assisting members in maximizing their Chamber membership, welcoming new members, and attending ribbon cuttings and other Chamber events.** The GAHCC also relies on Ambassadors to serve as a communication link between the Chamber and its members by relaying information to and from members, identifying member concerns, and garnering support for the Chamber.
