Hispanic Austin Leadership (HAL)

Hispanic Austin Leadership's (HAL) goal is to provide professionals the opportunity to develop business acumen, civic awareness and leadership skills while building a network of colleagues for life. HAL has been named as one of the top seven Hispanic leadership programs in the United States and generates a multi-million economic impact to Central Texas.

HAL is a nine-month program with thematic sessions and Community Impact Projects designed to be participatory in nature. HAL seeks individuals dedicated to serving our community and interested in their leadership growth. Participants of the program will gain a deeper understanding of the opportunities and challenges facing the Hispanic community and the Greater Austin community at large.

Acceptance into the program is based on an assessment of HAL applications. The HAL Selection Committee is comprised of HAL alumni, the GAHCC board liaison and the director of the program. Applicants who are not accepted are encouraged to reapply.

Want to find your voice and lead? The Greater Austin Hispanic Chamber of Commerce is accepting applications to our nationally recognized Hispanic Austin Leadership program! Advance your leadership skills, engage in community projects, and make lasting connections.

A two-day retreat is held every August and each HAL session is on the second Tuesday of each month from September through April excluding December. Although session topics are driven by the Hispanic community, you need not be Hispanic to apply.

“HAL was an impactful and unforgettable experience chock full of self-discovery, group work, community immersion, and building long-term friendships with classmates and alumni.
